Student Name(s) and Grade(s): \_\_\_\_\_

Additional student activities : \_\_\_\_\_

**Membership Donation: Annual membership donation for 2018-2019 is \$50.00.** Why do we seek a donation? The role of the TTC Boosters is to provide support for the DV theater program in a variety of ways. We are a 503(c) organization and all funds directly support the Theatre program and students. This includes important items such as production supplies, props, student scholarships, meals during rehearsal, student banquet and awards, and much more!

**Included is my check # \_\_\_\_\_ in the amount of \$50.00 paid payable to DVHS Thunder Theatre Boosters**

I would also like to assist the Theatre program in these areas (check all that apply):

- Fundraising: This may include securing donations, sponsors, materials, and/or in-kind donations.
- Cast and Crew Meals and Snacks: Productions often require after school and evening rehearsals and meals are essential.
- Set and Stage Support: This may include donating props, assist with building and set design, and technical needs.
- Concession and Ticket Sales: Concessions and ticket sales support all DV Theatre productions, activities and events.
- Publicity, Marketing and Social Media: Help spread the word about DV productions, honors and awards.

We also strongly encourage you to consider donating to TTC Boosters via the Arizona Tax Credit and we will be hosting an information session this fall and spring.  Yes, please contact me so I may learn more.

Please share any knowledge, skills and abilities you have that would help support DV Theatre and TTC Boosters:
