

# Footloose

Thank you to everyone who auditioned for Footloose! I'm incredibly humbled to have seen so many new and returning faces show up for auditions. Casting this show and having to determine who didn't make it into the cast was incredibly difficult. If you did NOT end up in the cast, please know that we love you and want to see you still involved with the show! If you are not already in a pre-production crew, please email me and I will get you added into one. Also, remember that there are still so many opportunities left this year to perform and be involved with TTC! Don't let this disappointment keep you from being involved this year. ❤️

If you have been cast, please make sure to fill out the role acceptance form below!

We also had an INCREDIBLE amount of interest in our pre-production crews! Thank you to everyone who wants to get involved in tech!! I recommend searching for your name rather than scrolling - the crew list is LONG and I don't want you to miss your name. Many people are also on two crews, so make sure to double check them all!

If you applied for a crew and your name is missing, I apologize! Please just email me and I will get that fixed. Everyone who applied for a crew should be on the list!

Pre-production crew members should also fill out the role acceptance form to let me know that you are still good to be involved in your crew(s).

Thank you again to everyone who wants to make this show possible. I love you all and can't wait to get started!

**The first rehearsals for cast this week will be for ALL CAST from 3:45-5:30pm on Tuesday, Thursday, and Friday**
