

Thank you to everyone who applied for crews and who auditioned for our
Spring Plays!

I am so thankful for all of you. I truly couldn't do all of this without each of
you and your love for this program.

If you auditioned, please remember that these are small casts and there was
simply no way for us to get all of you in these shows. Remember that even if
you were not cast, you are all still talented, loved, and a valued part of TTC. I
love you all so much and I am so sorry that I couldn't give everyone
everything they wanted.

If you were not cast and did not originally sign up for a pre-production crew
but would now like to do this, there is an option at the end of the acceptance
form to join a crew. We would still love to have you be involved in these
shows.

If you applied for a pre-production crew, your name should absolutely be on
a list below! If your name is completely missing, please email me ASAP so
that I can fix this for you. If you decided that you want to be on a second
crew, please email me about this. If you would like to join a 3rd crew, please
talk to me next week so that we can discuss the time commitment involved in
this before placing you on a third crew.

Again, I love you all so much and I am so thankful for each of you. ❤️
